

Dear CDC/CK Parents,

Welcome! I am so glad that you are with us to celebrate our 40th year here at North Metro Baptist Church Child Development Center. I look forward to getting to know each of you as well as your children this school year.

I am very excited about the opportunities our staff will have in sharing with your children about Christ's love. One of the most important things we will teach them is that they are "wonderfully made" (Psalm 139:14). Not only has God made them unique but He also has a special purpose for each of their lives.

I am extremely proud of our 2021-2022 staff. The teachers have been busy all summer getting ready for this year. I know you will see the preparation and commitment each of these have for their class.

I hope you will read through this handbook, as it will answer most of your questions. If you have been with us in previous years, please know that some of our policies have changed. You will certainly want to review the handbook. If you have additional questions, please feel free to talk with your child's teacher or me. We are here to assist you in any way possible.

Thank you for allowing us to nurture, teach and love your children this year.

In His Service,

Sherelene Scates
CDC/CK Director
